

New York Eligibility Map and Measures

Equipment must be installed in Con Edison or National Grid service territory in downstate New York, and the customer must have an active, non-residential natural gas account for the sale to qualify for midstream incentives.

For more information, call 1-617-440-5468
or email heat-ne@energy-solution.com.

*Territory map is meant as a guide and does not guarantee eligibility in the program.
